

## Kincaid: Cerberus MC Book 1

I am Emmalyn Mikaelson. My husband, in a rage, hit me in front of the wrong person. Diego, or Kincaid to most, beat the hell out of him for it. I left with Diego anyway. Even though he could turn on me just like my husband did, I knew I had a better chance of survival with Diego. That was until I realized Kincaid could hurt me so much worse than my husband ever could. Physical pain pales in comparison to troubles of the heart. I am Diego Kincaid Anderson. She was a waitress at a bar in a bad situation. I brought her to my clubhouse because I knew her husband would kill her if I didnt. Now she has my protection and that of the Cerberus MC. I never expected her to become something more to me. I was in more trouble than Ive ever been in before, and thats saying a lot considering I served eight years in the Marine Corps with Special Forces.
