

## Peachy Keen (Desire Resort Book 3)

Georgia Trenton has always been lucky in lust but hasn't ever been interested in love. She prefers quickies to courtships, never seeing the need for more than just sex. Years of listening to her best friend Danielle's relationship woes had assured her she was right to avoid romance altogether. But ever since Dani returned from vacation in love and looking like the poster girl for happily ever after with her new boyfriend Evan Weston, Georgia has been questioning her wild ways and thinking about the future. In an attempt to forget about the uncertainties that plague her and escape the constant symphony of sex noises coming through the walls of her apartment thanks to Evan and Danielle, Georgia jets off to Desire Resort & Spa hoping to enjoy the rowdy vacation hotspot the way it was meant to be enjoyed. No strings attached. No commitments. And with one sexy stranger no names. But when strings appear, complicating what was supposed to be a carefree getaway, and commitment suddenly doesn't sound as bad as it used to, Georgia finds herself wondering if lust is really enough. \*Erotic romance, includes explicit language and graphic sexual content. For ages 18+
