

Lawyers Jokes, Quotes, and Anecdotes 2003 Block Calendar

The verdict is in! After four years worth of evidence, sales of this calendar title prove beyond a doubt that lawyers do have a sense of humor. In this fifth compendium of lawyerly laughs, we bring out the Dream Team of humorists: David Letterman, Conan O'Brien, Tim Allen, Judge Judy -not to mention the wisecracking attorneys from TVs Ally McBeal. And humorous quotes are just the beginning. This calendar is packed with hysterical-but-true courtroom transcripts (Counsel to Defendant: How many times have you committed suicide?), loony laws (Its unlawful to hunt camels in Kingman, Arizona.), and frivolous (but funny) lawsuits. Americas 900,000 practicing lawyers need something to do when theyre not suing each other. This calendar provides just the right diversion.
