

The Book of Eternities

The era of mankind is finally here. The world is waiting for you! You are the child of truth that is now ready to be born. You are the new Christ, who on the third day rises again from the dead. The third day is finally here! Mans love for his next shall now be turned to himself and make this rebirth possible. The Book of Eternities puts sticky plasters on the wounds. Your hands and feet are no longer pinned to a crucifix. You are free to go! The words within The Book of Eternities ensure justice is done. They create the new timeless man by loving dictation from the eternities. Mans story of creation still is very much going on! The seven days of creation are brought forth here in a completely new light. The courage to dare to see the new man being born shall actually make him be born. The courage to dare to see the plant pot that man is growing inside shall actually make him crush the wall of the pot so that new and eternal soil can reach his feet. The plant pot of science is now too small and tight for man. He needs to be re-planted in the free and eternal garden that is called the Garden of Eden. The seed within each human has started to grow and it is growing fast. The era of mankind is now! The gardener is you! The christening and the wedding are two milestones in a mans life that mark big changes. The christening and the wedding are, in The Book of Eternities, two milestones marking big changes in the spiritual growth process. Your catchwords are from now on On Earth as it is in Heaven. What you create within you is also created outside of you, around you. You are the Kingdom of Heaven on Earth, who from now on will make a paradise flourish and blossom. Your Mother and Father in eternity
