

## Vanilla Twist: Heather & Tony (Walk on the Wild Side Book 2)

The continuation of the USA Today and New York Times bestselling book, *Vanilla on Top!* Heather thinks she has it all: an interesting lover, a dream job, and a new wardrobe to match her take-charge attitude. But everyone has a past, and when Heather confronts hers at work she'll be hard-pressed to hold onto her newfound confidence and resolve. Does she trust Tony enough to let him help her or will she tackle the issue on her own? Still intrigued by the young woman and the multiple layers she presents to the world, Tony begins to change his life, too, for what he hopes is the better. He quits his high-powered career to find peace in a less stressful day-to-day existence. Desire for Heather still invades his every waking moment, and when trouble threatens their sexual explorations he makes the hardest choice of his life. One he may soon regret.
