

Living with the Giants: The Lives of Great Men of the Faith

One reader wrote: Warren Wiersbe masterfully chronicles the lives of the great preachers of the last 200 plus years. The brief bios are heartwarming. However, the real secret to getting the most of this work is Wiersbe lists the best books of and by each subject. You'll laugh, you'll cry, but most of all you will be changed as you live with the giants. Note -- he chronicles some of the lesser known men and leaves off some of the ones you would think would be included, i.e., Martin Lloyd-Jones, Clovis Chappell, etc.
