

LOVE LIFE: A story of self exploration through sacred teachings, solitude and sex.

In humorous tumbings of innocence and wisdom, Trosky uncovers a new paradigm for love and romance through the chaotic and sacred process of self-examination and the freedom of disabling social expectations. Trosky bravely bears all, in edgy provocative prose that will revive your spirit, dance on your heartstrings and tap into your wanderlust, leaving even the most unsuspecting readers on their knees in admiration of this soul-quenching debut memoir...
