

Love Potion Me, Baby: a romantic comedy

THE CLASSIC TALE OF BOY MEETS GIRL, DRINKS SHAMPOO, THEN FALLS IN LOVE. TOO BAD HE CANT REMEMBER HER NAME THE NEXT DAY. Suzanne Rose never intended for Brice Van Sant to drink a cup of her homemade herbal shampoo. And she certainly didnt expect an impromptu marriage proposal from the hunky CEO. After an incredible wedding night, Brice wakes unable to remember his brides name or why he proposed. Too late they realize the bright blue shampoo is responsible. Almost like...a love potion! Brice doesnt believe in love. But as chief executive of the areas largest pharmaceutical company, he needs that formula. He strong-arms Suzanne into reproducing it for him, demanding that she pretend they are happily married until its recovered. As Suzanne struggles to remember the shampoos ingredients and forget their perfect wedding night, she finds herself falling for her husband. Can she convince Brice that love is a chance worth taking before she loses her heart to him forever? THIS IS THE SEXY VERSION OF THIS TALE. For a sweet read check out THE TROUBLE WITH MILLIONAIRES.
