

Loves Gamble (Kimani Hotties)

The stakes have never been higher When aspiring private investigator Prudence Washington delivers legal documents to Max Benton, she receives an unexpected marriage proposal. Notorious playboy Max needs a fake wife in order to receive his hefty inheritance. Agreeing to the plan will help Prudence bank balance and vacationing with the sexy billionaire is doing wonders for her libido. Max spends more time in the tabloids than in the boardroom, but he's got huge plans for a new chain of hotels. He'll happily prove he's turned over a new leaf by sharing a room and unforgettable nights with his gorgeous new wife. Working together to expose a saboteur only increases their combustible attraction. But can he convince the woman he drew into a lie that he'll do anything to make this connection last?
