

Men for a 1: Hotel Paris

Men for a 1. In the rural Village of Saint Pois Normandy Northern France, there is only one bar/hotel and on a Friday/Saturday night it is used by the workers from the local granite mine. 30 single men and no women, so the evenings always end the same in a grand fight. Gilbert (our hero) comes up with the idea of date weekends for girls! Two nights full board for 69 plus 1 for a date with a hunky granite worker. It starts well but falls into amusing chaos. The story is humoristic & romantic and there is a twist in the middle. I hope you enjoy reading it as much as I enjoyed writing it.
