

Loves Miracles

Dr. Margo Devaull came to Dominic Zanellis mountain retreat confident that she could help this Vietnam veteran overcome the torment that kept him apart from the world. But her training as a psychologist had not prepared her for the tragic, explosive contradictions brewing inside him. For here was a sensitive artist who could be gentle and a man whose eyes flashed with violence and pain when he told her to leave and never come back. Yet Margo did come back, slowly gain his trust, and awaken the sleeping needs of his heart. Only by reliving her own wounded past and helping Zane confront a terrible memory from the war could she set them both free and save their last chance for love.
