

## Modern Masters Volume 14: Frank Cho (Modern Masters (TwoMorrows Publishing))

Monkeys! Dinosaurs! Beautiful women! These are the things Frank Cho loves to draw... especially beautiful women! Luckily for his fans, he excels at it. In 1997, the writer and artist introduced Liberty Meadows to the world, which quickly gathered a dedicated following. The winner of many prestigious awards including The National Cartoonist Society Award and the Charles Schulz Award Frank Cho ranks as one of Marvel Comics top current artists, and his work on Liberty Meadows, Shanna the She-Devil, Spider-Man and The Mighty Avengers, among others, is simply irresistible. Now, learn about the man behind the monkey as Eric Nolen-Weathington takes an extensive look into Chos career and creative proces. The 120-page book features a career-spanning interview with tons of art, including many rare and unpublished pieces, a large gallery and an 8-page color section on this true Modern Master: Frank Cho!
