

Shadows Pleasure (A Psychic Love Story): The Shadow Warder Series, Book Two

Brought together by circumstance. Bound together by chance. Despite the danger, passions ignite... Sequestered for over ten years and manipulated by those that were supposed to love and protect her, Sorcha wants nothing more than her freedom. When her childhood friend and two other Shadows are kidnapped and held by a sadistic Director hell-bent on changing the very nature of their existence, Sorcha knows its past time to escape. With the help of the sinfully sexy Kiernan Black, she finally gains her independence, but the depths of her passion for the Warder may be more dangerous than the mission to save her friends. As a Warder, Kiernan Black has never turned his back on an innocent. So when one of his own is working with a demon to brutalize innocent Shadows, he knows he must save them. With the beautiful, brave, and infuriatingly stubborn Sorcha Davis as his partner, he embarks on what might be the most dangerous mission of his life. But if he can find a way to make the fiery Shadow his along the way, the rewards could outweigh the risks. If you love paranormal fantasy romance, steamy love scenes, magic, psychics, demons, witches, warriors, urban fantasy and tons of action, the Shadow Warder series is for you! Recommended for ages 17+ due to the adult nature of the romantic elements. Interview with the Author Q - What makes The Shadow Warder Series special? A - I love paranormal romance and urban fantasy, so when a story crept into my head and demanded to be told, it wasn't a surprise it was a combination of those genres. I like to mix it up, so you'll find the series focuses on urban fantasy & paranormal romance overall, with elements of suspense, mystery, and thrillers. The Shadow Warder Series features a range of supernatural and human characters, including psychics (the Shadows), warriors (the Warders), my own version of witches, with plenty of magic, romance and action.

As readers said in their reviews: Anyone whos into fantasy and paranormal, will enjoy it as much as I did. It has lots of action and more action. I definitely recommend it to readers loving mystery, action and adventure. And, of course, (since the Shadow Warder Series is a romance at its core), This is a very sexy story, with a great story line. A great, complex and suspense-packed combination of rapid fantasy and steamy romance that you will devour in one sitting. I promise.
