

Mythbusters(TM) 2013 Box/Daily (calendar)

Urban legends -- truth or fiction? Discovery Channels longest running regular series, Emmy-nominated Mythbusters uses science to determine the truth behind urban legends. Since its launch in 2003, the show has performed 2,400 experiments, and tested 769 myths over 168 episodes. Called the best science program on television, Mythbusters is largely credited with making science cool again. Now available for the first time in our daily calendar format, you can test your knowledge with each flip of the page!
