

The Perfect Man 2004 Wall Calendar

Good news for all 107 million women in the United States: We've found The Perfect Man. In fact, we've found twelve of them. The Perfect Man 2004 Calendar features a shining example of manly perfection each month. There's March's Sumo Man. He's big. He's strong. And his clothes won't take up much of your closet space. There's June's Chef Hand Puppet. He's rich. He's talented. And you've always got him in the palm of your hand. These guys don't come with mothers-in-law, commitment phobia, or bad attitudes. But they do come with lots of laughs and are so perfect, you'll want to show all your friends.
