

National Geographic Readers: Cheetahs

Adorably cute and amazingly fast, the cheetah is a perennial favorite among kids. This National Geographic Reader will delight kids with beautiful photographs and mind-boggling facts about this majestic and mysterious cat. Did you know a cheetah could go from 0 to 60 mph in less than 3 seconds? True to the National Geographic Kids style and trusted reputation, snack size bites of information provide easily digestible learning that fulfills both the readers curiosity and sense of achievement. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commo ncorefor more information.
