

# Nolos Deposition Handbook: The Essential Guide for Anyone Facing or Conducting a Deposition

Take the mystery out of your deposition with this comprehensive guide. Getting deposed? Here's the book you need. Nolos Deposition Handbook is for anyone who will conduct a deposition or will be deposed; providing all the information, tips and instructions you need whether or not you're represented by a lawyer. Packed with concrete suggestions and examples, the book explains how to: arrange a convenient date prepare for the deposition respond to questions with aplomb ask the right questions You'll even learn the three golden rules for answering questions and the trick questions lawyers often use to influence testimony. Written by two UCLA law professors and attorneys, Nolos Deposition Handbook provides all the information you need to sail through the deposition process with confidence. A perfect book for law students, lawyers, legal assistants, witnesses, expert witnesses and people who represent themselves in court. The 5th edition contains updated statutes, cases and rules, plus new material on electronic discovery, which applies to information stored in computers, including records and emails.
