

Non Sequitur 2014 Day-to-Day Calendar

Welcome to Non Sequitur, Wiley Millers satirical look at everyday life. It is perhaps the only place where readers can visit heaven, prehistoric times, and outer space and get a glimpse into modern family life, corporate America, and the corner bar (where the issue of half empty or half full is finally settled)--all in the same week. Featuring a different, full-color Non Sequitur panel on each page, the Non Sequitur 2014 Day-to-Day Calendar guides readers through the year with laughs everywhere along the way.
