

## The Girl From Leam Lane (CH) (Charnwood Library)

Your transposing of my character into the characters in the book is simply amazing. - CATHERINE COOKSON This remarkable book will be welcomed by the millions of readers who know and love Catherine Cookson. Catherine Cookson's first book, KATE HANNIGAN, was published in 1950, when she was forty-four. It had been accepted by the first publisher to whom it had been submitted. Kate Hannigan's world, a place of darkness, was the same nightmare world into which her creator had herself been born on Tyneside. Catherine was exorcising her own demons. Since then, books have followed at an incredible rate, all of them huge bestsellers. Here, Piers Dudgeon unlocks Catherine's complex character, using her many books as a key, and explores with Catherine herself the tortured drama of her personal life and its resolution.
