

Pimp: The Story of My Life

The book that brought black literature to the streets is back to show the Hip-Hop generation what its all about, where they came from. A blueprint. A bible. What Sun Tzus Art of War was to ancient China, Pimp is to the streets. This is the story of Iceberg Slims life as he saw, felt, tasted, and smelled it. A trip through hell by the one man who lived to tell the tale. The dangers of jail, addiction, and death that are still all too familiar. By telling the story of one mans struggles and triumphs in an underground world, Pimp shows us the game doesnt change, it just has a different swagger. Iceberg Slims story is now depicted in a major motion picture. The documentary, Iceberg Slim: Portrait of a Pimp, shows Slims transformation from pimp to the author of seven timeless books.
