

Pink Floyd 2004 Wall Calendar

Director Alan Parkers intense and fully realized film interpretation of the English bands classic album, The Wall melds whimsical fantasy with dark Shakespearean drama. The film makes innovative use of sets, costumes, and special effects to create a unique surrealistic strangeness worthy of Luis Bunuel and Salvador Dali. Both disturbing and bedazzling, Pink Floyd: The Wall is a must-see film for any music lover. The Wall Live In Berlin DVD is set to be released on June 17, 2003 and action figures based on animation from the film Pink Floyd The Wall will be released in 2003.
