

## Playing With Vampires - An Izzy Cooper Novel

There's a new mystery to solve, and another bad guy to catch, which means another chance to earn some redemption points. My name is Izzy Cooper, and I'm a fallen angel, though I'd really like to drop the fallen part off my title. That's why I joined the Monster Squad. The timing couldn't have been worse. I had him exactly where I wanted him. He was ready to fall to his knees and beg my forgiveness. Just as he got to the point that he couldn't take it anymore, I planned to hit him with a massive dose of revenge, but then the call came in. The nude and mutilated body of a young witch is discovered in a dingy alley. Trouble was back, and it was back with a vengeance. **WARNING:** Izzy Cooper is a nice girl, but she can also be an opinionated bitch from Hell. After all, she is a fallen angel. On occasion, she likes to play with hot guys who have hotter than hell bodies. This story is not for the faint of heart, or those easily offended by sarcasm, dark mystery, and hot romance.
