

## The Art of Secrets

An Edgar Award Winner, Best YA Novel 2015 Where there's smoke ... When Saba Khans apartment burns in a mysterious fire, possibly a hate crime, her high school rallies around her. Her family moves into a rent-free luxury apartment, her Facebook page explodes, and she begins (secretly) dating a popular boy. Then a quirky piece of art donated to a school fund-raising effort for the Khans is revealed to be worth hundreds of thousands of dollars, and Sabas life turns upside down again. Should Sabas family get the money? Or the students who found the painting? Or the school? Monologues, journal entries, interviews, articles, and official documents expose a tangled web of greed, jealousy, and suspicion as students and teachers alike debate, point fingers, and make shocking accusations about what's really going on. Relationships, secrets and lies aplenty. Kirkus Reviews Will stay on readers minds long after the last page. Booklist, starred review This story ... culminates in a shocking twist of an ending that will engross readers until the very last page.
