

## Oh, Taste and See: The Life of Kenneth McAll

The story of the life of a missionary doctor to north China, working along Moa Zaidong and Schaik Hai Scheks forces and the Japanese army before and during World War 2. God was with him, guiding and directing every action that he took. Miracles took place as a result of this guidance in North China as well as in a Japanese prison camp where he and his wife and child were placed after Pearl Harbor and spent 4 years. This is a story of a mans obedience to Gods guidance.
