

Married for Christmas (Willow Park Book 1)

After years of dreaming, Jessica is finally getting married, but the marriage isn't exactly what she thought. Daniel is her best friend, and she's known him all her life, but he's never gotten over losing his wife two years ago. His dream is to become the pastor of the church in their hometown, but the small-town congregation keeps balking over calling an unmarried minister. Since Daniel needs a wife and Jessica wants a husband and family, she proposes an arrangement that benefits both of them. They can get married. They can build a life together. They can celebrate Christmas as a couple. It's fine that he doesn't love her. And it's fine that she's not exactly suited to be a small-town pastor's wife. And it's fine that she's more attracted to her sexy, brooding husband every day. Jessica can be practical about this marriage. She knows what she's getting into, after all... (This book includes fully-developed sex scenes between a husband and wife.)
