

Intensity (Cottonwood Falls Book 6)

Two people whose intensity for one another may be their downfall or heaven. Grey Sorenson, Navy SEAL, has had a thing for Sarah for years. Problem is when they're together the sparks they put off aren't all good. Sarah Mallery loves serving in the USMC. Her life would be perfect if not for the SEAL who makes her want to hit him one second and kiss him the next. A mission throws them together, will things get worked out after this or will more obstacles fall in their way of a happily ever after?
