

Constructions Texturees 2016: Assemblage et Texture dElements dArchitecture (Calvendo Art) (French Edition)

Structure d'une oeuvre artistique... autour d'elements architecturaux. Imbrications et multiplications d'objets pour former un squelette, une nature, un univers, un atome et meme une entite quantique. Les calendriers Calvendo sont des produits haut de gamme - avec ces plus qui font la difference : nos calendriers presentent bien toute l'annee grace a leur papier de qualite superieure et leur reliure a spirales pour une manipulation des pages plus aisee et une tenue parfaitement droite contre le mur. Un film plastique transparent protege la couverture de ces calendriers toujours plus solides, qui se declinent desormais en cinq langues. Offrez-vous un calendrier Calvendo qui reste beau tout au long de l'annee.
