

RoboAchiever Workbook

ROBOACHIEVER: Learning achievement through robotic game adventures. This 40+ page workbook permits virtual game play for the RoboAchiever flagship product of our hands-on game kit adventures. Also, includes friendly team competition option for 2-team play. The Elementary School gamer can now immediately commence game play through navigation of the Dahrtok region, and help liberate the Dahrtok Villagers from entrapment by the invading Imperial Interferon. Your mission is to defeat these mutant invaders and restore lost knowledge to the Dahrtok Villagers. There are math challenges that must be solved along the way to prove your continued readiness, but you are up to the challenge. Once mastered the full 2 by 2 foot game mat and actual robot companion can be ordered for actual floor game play. Join us, Commander, on this mission to save and restore the Dahrtok civilization. They await your rescue. You can begin your journey to this OuterWorld Region with this workbook that embarks on initial virtual game play. www.roboachiever.com Your story now begins ... Episode 1: The Day Before As Junie slurps his soffee, with just a sprinkling of Beetle Stalk sugar sprites , just as he likes it. he reflects to himself on the long days hard work. A group Think Day. Thats the worst. Whistfully he recalls, So much better when split duties assigned me to stellar guard patrol, carrot harvesting with Gristy, or better yet a full day on the Andromeda Clip. Oh well, Andromeda will have to wait. Wheres Puffin? Gristy, wheres Puffin? Is she with you? Gristy, wearing her usual workday green and blue robed coverall, appeared with Puffin under her arms. Shes just in from the grasshopper pond. Had to attract her away with some beetle stalks. Come here, Puffin. How was your day? I hope better than mine. Gristy, today was exhausting. Thinking and talking. That Budsy just cant shut up his

mouth. Talking all day, and solving nothing. The others are all talk too. Blah, Blah, Blah. Command has said no more regular work duty. We must put on our thinking caps and solve the Disappear Mystery. Remember yesterday, when we read about the nutrient capsule lost in the Eastern Grill? Totally vanished. Budsy was on guard, but says nothing at all mysterious occurred. The capsule just disappeared -- leaving no clue - whether dissolved, evaporated, melted. Just plain gone. None of us know why or how. its a mystery alright. Command says this must stop, AND STOP NOW. ... this episode continues in Workbook!
