

The Naked Duke (Naked Nobility Book 1)

The Surprise Of Her LifeSophisticated. Scandalous. In fact, Miss Sarah Hamilton, a proper Philadelphian, finds London society altogether shocking. How can it be that she has awakened from her innocent slumber to find herself in bed next to a handsome--and exceedingly naked--man? The laughing onlookers standing in the doorway are no help whatsoever and surely this amorous lunatic cannot be a duke, as he claims. She is compromised--though she most certainly will not marry him!The Sweetest Moment Of HisJames, the Duke of Alford, is enchanted by his unexpected bedmate--and not at all afraid of her pink-cheeked fury. True, the circumstances and place of their meeting are most unusual, but the spirited American whos pummeling him with a pillow is an incomparable beauty. If Sarah will only listen to his perfectly reasonable explanation, James is sure that he can capture her heart. . . forever.
