This bundle contains the first three installments of the seven part series. Connor, Logan and Zak are all part of an elite SEAL team that have served their country above and beyond. Now due to the kindness of their old CO who has died and left them everything, they have settled in the quaint little coastal southern town of Briarwood. A far cry from the rough and tumble beginnings of some of the men, but they're more than ready to settle down. The men, more brothers than friends, have each found their one and only Connor and Logan falls for two local debutantes who keep them on their toes, while Zak is reunited with an old flame from his days in the service, one who comes with a little surprise in the form of his baby girl. All is not happy days and sunshine though, as the men find their little haven rife with midnight clandestine happenings that have set some of the older folks of Briarwoods tongues wagging. Now everyone is looking to them to get to the bottom of whatever it is that has been going on down at the waterfront under cover of night.
