

The non adventures of Alice the erotic author: The Tattoo Shop

Alice may well be an erotic author, but her life doesn't reflect that. She's just like anyone else, except she's lacking in the romance department. Follow Alice's lack of adventures in this series of short but humorous stories. Enjoy Alice taking an everyday situation and turning it into a hot scene for one of her books, before coming crashing back down to earth when reality hits. In this latest installment Alice comes up with an erotic encounter at the tattoo shop.
