

## Winter Wonderland (Minnesota Christmas)

Finding Mr. Right can be a snow lot of fun. Minnesota Christmas, Book 3 Paul Jansen was the only one of his friends who wanted a relationship. Naturally, hes the last single man standing. No gay man within a fifty-mile radius wants more than casual sex. No one, that is, except too-young, too-twinky Kyle Parks, who sends him suggestive texts and leaves X-rated snow sculptures on his front porch. Kyle is tired of being the towns resident Peter Pan. Hes twenty-five, not ten, and despite his effeminate appearance, hes nothing but the boss in bed. Hes loved Paul since forever, and this Christmas, since theyre both working on the Winter Wonderland festival, he might finally get his chance for a holiday romance. But Paul comes with baggage. His ultra-conservative family wants him paired up with a woman, not a man with Logans rainbow connection. When their anti-LGBT crusade spills beyond managing Pauls love life and threatens the holiday festival, Kyle and Paul must fight for everyones happily ever after, including their own. Warning: Contains erotic snow art, toppy twinks, and super-sweet holiday moments. Best savored with a mug of hot chocolate with a dash of spice.
