

THE PAINTINGS OF J. ALLEN ST. JOHN: Grand Master of Fantasy Ultra Deluxe

This is Vanguard's second volume devoted to the work of J. Allen St. John and concentrates on the artist's full-colour fantasy, science-fiction and adventure paintings for novels and Pulp-magazines for famous authors, Edgar Rice Burroughs, Jack Williamson, Robert E. Howard and more. St. John is the original master illustrator of Tarzan, John Carter of Mars (now in major motion picture development by Pixar), and others. His illustrations inspired generations of later fantastic artists including Roy G. Krenkel, Jeffrey Jones and Frank Frazetta.
