

## Real Wealth: A Spiritual Approach to Money and Work

Real wealth means making real money from work you enjoy and feel good about. You also need to know how to use money in a way that contributes to your spiritual growth, and that doesn't just mean filling the collection plate. Robinson brings together the spiritual and financial life, uniting once again the trader and the temple, in a book that attempts to bring integrity, creativity and a caring heart into the world of business.
