

Steel My Soldiers Hearts: The Hopeless to Hardcore Transformation of U.S. Army, 4th Battalion, 39th Infantry, Vietnam

In January 1969, one of the most promising young lieutenant colonels the US Army had ever seen touched down in Vietnam for his second tour of duty, which would turn out to be his most daring and legendary. David H. Hackworth had just completed the writing of a tactical handbook for the Pentagon, and now he had been ordered to put his counter-guerrilla-fighting theories into action. He was given the morale-drained 4/39th battalion of poorly led draftees suffering the Army's highest casualty rate and considered its worst fighting battalion. Hackworth's hard-nosed, inventive and inspired leadership quickly turned the 4/39th into Vietnam's valiant and ferocious Hardcore Reconos. Drawing on interviews with soldiers from the Hardcore Battalion conducted over the past decade by his partner and coauthor, Eilhys England, Hackworth takes readers along on their sniper missions, ambush actions, helicopter strikes and inside the quagmire of command politics. With *Steel My Soldiers Hearts*, Hackworth places the brotherhood of the 4/39th into the pantheon of our nation's most heroic warriors.
