

Stick Out Your Balance Sheet and Cough: Best Practices for Long-Term Business Health

How Fiscally Fit Is Your Company? Just Say Ah! In *Stick Out Your Balance Sheet and Cough*, Gary Patterson details for the first time the proven methods he has used to successfully treat companies of all sizes across a range of industries from a startup purchased by IBM to a public technology company sold to eBay to an Inc. 500 consumer goods manufacturer to an international Fortune 500 firm. Offering tips to stanch the internal financial bleeding and providing a daily regimen for ensuring your company's financial health, the FiscalDoctors prescription is clear: Give your company an overall checkup to gauge its condition. Diagnose problems by reviewing your financials and operations. Implement a treatment plan using Best Practices from world-class successful companies. Create a wellness program to prevent future fiscal crises. Using the FiscalDoctors Best Practices, the high-growth company you own, manage or direct can avoid unnecessary increased expenses, revenue shortfalls, employee layoffs, missed bonuses or broken dreams. So open this book and say Profit.
