

Sugar and Spice (Whatever After #10)

That's the way the cookie crumbles! Yum! Our magic mirror has dropped me and my brother, Jonah, into the story of Hansel and Gretel. If we're lucky, we may even get to taste the cake-house... But we didn't count on accidentally getting trapped. The real Hansel and Gretel are on the run, and Jonah and I have taken their place. And the witch is making a kid casserole for dinner... Now we have to: - Avoid being eaten - Pretend our dog is a cat - Learn to make kale smoothies - Befriend a talking duck Or we may never make it back to our home sweet home!
