

Surrendering All But Her Heart (Mills & Boon Modern)

Keeping your enemies close Natalie Armitages world was shattered the first time Angelo Bellandini mentioned marriage. Their affair had been intensely passionate, but she had learned to close her heart at an early age, and the thought of exposing it to anyone made her run. Five years later she's facing her second proposal from Angelo but his molten brown eyes are burning with revenge, not desire! To protect her family Natalie must accept his ring but she'll be no meek-and-mild Bellandini bride. Angelo's expert touch might give her body scorching pleasure, but he'll never win her frozen heart I love the way Melanie's stories flow amazing! Thanks for writing, Melanie.
