

## The Truth About Druids (Llewellyns Vanguard Series)

Discover the beauty of their ancient religion and power of their magic, when you read *The Truth About the Druids* by Tadhg MacCrossan. The word Druid evokes images of ancient wizards and wonder-workers from old Irish sagas or Welsh legends. The Druids have been credited as engineers of Stonehenge and the shamans of pre-Celtic Western Europe. Some believe they may have even been the priests of the Lost Tribes of ancient Israel. Others have credited them with Pythagorean philosophy, Cabala, mysteries of the Goddess, Buddhism, Runes, and Wicca. But these popular characterizations are not accurate representations of factual history. Just who, then, were the Druids? What did they teach? What did they do? *The Truth About the Druids* answers these questions and many more. You will learn: The oral tradition and the Druidic class Celtic origins Celtic religion and mythology Druidic festivals and clothing Celtic magic Neo-druidism since the 1700s The future of Druidism *The Truth About the Druids* is much more than just a history.
