

GAAP Guide (2011)

CCHs 2011 GAAP Guide, in two volumes, provides the most comprehensive resource for understanding and applying authoritative GAAP literature in clear language. Each FASB Accounting Standards Codification pronouncement/topic is discussed in a comprehensive format that makes it easy to understand and implement in day-to-day practice. Practical illustrations and examples demonstrate and clarify specific accounting principles. This sets detailed cross-reference table, index, and useful references to the original GAAP literature help you quickly locate the information you need in the way you are most comfortable with. Major standards, and interpretations of major standards, are covered in Volume I, and guidance for more narrow transactions is provided in Volume II.
