

# The Traders Pendulum: The 10 Habits of Highly Successful Traders (Wiley Trading)

The new traders guide to the business, psychology, and hype in trading The Traders Pendulum + Website is the ultimate toolkit for realizing your trading potential. Written by one of North Americas leading trading coaches, this guide is designed to show aspiring traders how to design and implement a successful trading strategy by learning the psychological tricks behind solid trading philosophies. New and experienced traders alike will find value in The 10 Habits of Successful Traders, and come away equipped to navigate the real-life emotional-psychological effects of market chaos. Youll learn to embrace change and risk, and use it to your benefit as you climb out of the technical trap and stop riding the Traders Pendulum between fear and greed. Based on the authors Elliott Wave and Harmonics expertise, this invaluable guide brings you a top-down approach to the market to help you maximize profit and minimize poor choices. The companion website gives you access to an interactive Traders Scorecard, models for your business and trading plan, The Trading Blotter, and a video synopsis of the all-important 10 habits. Todays global economy has forced people to search for a second cash flow stream to replace or supplement a primary income. It is more important than ever to have a reliable guide at your side, and this book gives you guidance and so much more. Develop and follow a successful trading system Make more money while saving time and effort Treat trading like a business for lasting success Use change and risk to your benefit Stop chasing trends and listening to widely disseminated bad advice. The Traders Pendulum + Website is more than a guideits advice, examples, models, and more, giving you a practical roadmap to your online trading success.
