

The Arrogant Years: One Girls Search for Her Lost Youth, from Cairo to Brooklyn

[Lagnado writes] in crystalline yet melodious prose. New York Times Lucette Lagnado's acclaimed, award-winning *The Man in the White Sharkskin Suit* ([a] crushing, brilliant book New York Times Book Review) told the powerfully moving story of her Jewish family's exile from Egypt. In her extraordinary follow-up memoir, *The Arrogant Years*, Lagnado revisits her first years in America, and describes a difficult coming-of-age tragically interrupted by a bout with cancer at age 16. At once a poignant mother and daughter story and a magnificent snapshot of the turbulent 60s and 70s, *The Arrogant Years* is a stunning work of memory and resilience that ranges from Cairo to Brooklyn and beyond the unforgettable true story of a remarkable young woman's determination to push past the boundaries of her life and make her way in the wider world.
