

Tatiana and Alexander: A Novel (The Bronze Horseman Trilogy Book 2)

This has everything a romance glutton could wish for: a bold, talented, and dashing hero, a heart-stopping love affair! Daily Mail (London) Paullina Simons internationally bestselling blockbuster The Bronze Horseman told the heart-soaring tale of a young Russian woman's transcendent love affair with a Red Army soldier during the siege of Leningrad in the dark days of World War Two. The epic story continues in Tatiana and Alexander a novel of the enduring power of love and commitment against the devastating forces of war and the equally dangerous forces of keeping the peace. A sweeping, intensely compelling romantic historical saga, Tatiana and Alexander is a Russian Thorn Birds and a truly unforgettable reading experience.
