

The Bunk Up (The Village People Book 1)

*Recommended for readers 18+ due to adult content Daisy Harlow discovers her long-term boyfriend isn't contemplating a proposal but rather how to get his mistress out of the house before she gets home. As if things can't get any worse, broken-hearted Daisy gets fired from her job at the Post Office. Stuck living with her best friend and tormented by three children under the age of five, Daisy needs a fresh start and she needs it fast. Enter her least favourite customer Mrs Haversham. Daisy finds herself offered a few weeks away in Mrs H's country cottage in Norfolk. Time to recharge her batteries and think of her future. Thank goodness Mrs H's son is married though, she can do without her matchmaking efforts. So who's the dark haired hottie currently occupying a bedroom of the cottage? He says he's Mrs H's other son. One Daisy knows nothing about. It all leads to a Bunk-Up, a sharing of the cottage and each other. It's not like either of them is looking for anything serious. Is it?
