

The Case for Christ Student Edition: A Journalists Personal Investigation of the Evidence for Jesus (Case for ... Series for Students)

Theres little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just thatstories. A reasonable person would never believe them, let alone the claim that hes the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. Thats why Lee Strobelan award-winning legal journalist with a knack for asking tough questionsdecided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianitys claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. Youll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, youll be amazed at the evidencehow much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?
