

The Case for Faith Student Edition: A Journalist Investigates the Toughest Objections to Christianity (Case for ... Series for Students)

Is Faith Possible in Today's World? It's not easy to believe in Christianity when there is pain all around you and issues that defy easy explanation. Unless there are answers to the questions you face. Lee Strobel knows how important it is to find answers that ring true. With his background as an award-winning journalist, asking tough questions has been his business. And while his search for the truth convinced Lee that Jesus is real, it also confronted him with some particularly knotty, gut-level questions about Christianity you've likely asked as well: Why is there suffering? Doesn't science disprove miracles? What about hell? and the millions who've never heard of Jesus? Is God unjust? They're the kinds of conundrums that can block—and have blocked—people's faith. But those questions don't have to block yours. Join Lee in a fascinating journey of discovery. You'll gain powerful insights that will reshape your understanding of the Bible. And you'll read true stories about people whose experiences demonstrate that faith in Jesus not only makes excellent sense, it makes a life-changing difference as well.
