

The Cat in the Hat

Poor Dick and Sally. Its cold and wet and theyre stuck in the house with nothing to do ... until a giant cat in a hat shows up, transforming the dull day into a madcap adventure and almost wrecking the place in the process! Written by Dr. Seuss in 1957 in response to the concern that pallid primers [with] abnormally courteous, unnaturally clean boys and girls were leading to growing illiteracy among children, The Cat in the Hat (the first Random House Beginner Book) changed the way our children learn how to read.
