

Complete Guide to Sex in Puerto Vallarta

If you're coming to Puerto Vallarta and want to find girls, you'll need this book. No other resource will tell you how and where to find girls or give you a complete listing of all the sex-related resources in Puerto Vallarta. See detailed descriptions and recommendations for the best strip clubs, the brothels and streetwalkers, sex shops and erotic movie theaters...and much more.

You'll learn how to use the sex-related services safely and securely--with inside information about prices and options--and by gaining this confidence you'll be able to find the girls of your dreams. In addition to knowing where to find girls of the night, you'll get our recommendations for where to stay--and where not to stay. And, we also provide information on venues where regular young women---both Mexican and tourists--often frequent. The book is written by an expert with years of experience of taking people on Red Zone Tours of Puerto Vallarta. Here he reveals what he's learned in hundreds of nights out on the town. Puerto Vallarta is more than a beach town, and our expert shows you why...how....and where.
