

The Council of Light: Divine Transmissions for Manifesting the Deepest Desires of the Soul

Galactic teachings and practices to raise your vibrational energy and create a life of joy, abundance, and ease * Provides direct transmissions of spiritual technology from the Council of Light to activate the 11 Rays of Light * Reveals that by shifting your consciousness and raising your inner vibration, you can change your daily life experience and manifest the life you want * Includes guided journeys and exercises to manifest health, wealth, happiness, and purpose and to form a direct connection with the Council of Light Through her advanced spiritual work with Thoth, Danielle Rama Hoffman was introduced to the Council of Light--an intergalactic group of thousands of light beings from across the Multiverse. Their purpose is to support individuals as they shift into Unity Consciousness and return to their natural state of joy. The Council transmitted the teachings in this book for those seeking to accelerate their journey toward health, wealth, happiness, and their souls deepest desires. The Councils teachings reveal that by shifting your consciousness and raising your inner vibration, you can change your daily life experience and manifest the life you want. These direct transmissions of spiritual technology from the Council include activations for the 11 Rays of Light, guided journeys and meditations, and written, spoken, energetic, and breathwork exercises to creatively turn your debt into wealth, transfigure your food into light for better health and well-being, enhance your abilities for interdimensional travel, and return to your natural inner state of joy. The Council explains how each Ray of Light has a specific vibration and application and can assist in removing any blocks to achieving your souls purpose. The Emerald Ray, for example, activates the signature energy of your authentic and full self, and the Venus Ray, the Ray of Opulence, supports alignment with abundance and prosperity.

Offering an opportunity to form a direct connection with the Council of Light, this book provides practical tools to move from a life of worry, debt, exhaustion, and isolation to one of joy, abundance, purpose, ease, and connectedness, with a team of Divine supporters to assist you along the way.
