

# The Driving Instructors Handbook

An up-to-date copy of The Driving Instructors Handbook is as essential for a fully qualified instructor as it is for those seeking to pass the ADI qualifying examinations. - John Lepine, MBE, General Manager, The Motor Schools Association. The Driving Instructors Handbook is recommended by the Driving Standards Agency for those studying for the Approved Driving Instructors qualifying examination. - Driving Standards Agency Register of Approved Driving Instructors. Covers everything an aspiring instructor needs to know. - Driving School News. This book is recommended by the Driving Standards Agency for the Approved Driving Instructors exams. Now in its 13th edition, The Driving Instructors Handbook is recognized as the authoritative reference guide for aspiring and qualified instructors. Over the past few years, the driving and testing industry has undergone dramatic changes in an effort to ensure that new drivers are better equipped to cope with the ever-increasing demands made on them. Recommended by the DSA, this best-selling book has been extensively re-written to include the latest information relating to this ever-changing industry. Highly readable and practical, the Handbook includes comprehensive guidance on: driving licences teaching skills training procedures the current ADI entry examination - theory and practical the trainee licence the ADI Check Test the L Test - theory and practical road traffic law. The Driving Instructors Handbook is essential reading for all those involved in the training of drivers and instructors at all levels. Providing an excellent companion volume to The Driving Instructors Handbook is Practical Teaching Skills for Driving Instructors by John Miller, Tony Scriven and Margaret Stacey, also published by Kogan Page.
